CARE TIPS: Handle disc carefully, making contact only with the center hole and edge. To remove disc from its case, press the "push" button on the center hub and press downward. Using your other hand, gently remove disc by its outer edge. Never remove disc solely by prying its outer edge. Do not touch disc surface. Do not stack discs. Make sure disc is properly seated inside player before closing drawer.

Access *After The Sunset* features by pressing the MENU button on your DVD player remote control.
